Hi

Just to let you know that we've currently added two new bins only last week and now there has been a relaxation of the rules so any bin can take dog waste.

All bins go to the incinerator and recyclables are then harvested out before the waste is burned so it's already recycled.

How would you feel if I had a zoom chat with your class or pop in to school once I'm allowed?

It's great you're interested and I'd love to talk to you all.

Best wishes

Mark
