# MY WORLD MY CITY MY NEIGHBOURHOOD

## Year 3 Mining Prints

*'Conservation of the historic environment is a key priority in Garforth and is important to protect the unique identity of the area.'* Garforth Neighbourhood Plan

We had three mines in Garforth, all owned by The Gascoigne family – Isabella Pit (East Garforth), Sisters Pit (near Tesco) Trench Pit (Ninlands Lane). All the children in year 3 made amazing prints based on these local mines. A few of them will be on display at the Community Sharing Event this Saturday (see details below).

The 'My World, My City, My Neighbourhood' project is part of the Leeds 2023 city of culture celebrations. The reason for the project is to tell the stories of the people in Garforth and our mining past is a valuable part of our local history.
